### SEES NO REASON WHY GEORGE MINTY'S NAME SHOULD NOT APPEAR

**Application Made in Supreme Court This Afternoon  
That G.D. Minty's Name Be Struck From State-  
ment of Claim in Famous Hawes Suit Against  
Alberta and Great Waterways Railway**

Application was made in the Supreme Court this afternoon to have the name of G.D. Minty struck out of the statement of claim taken by Mr. Hawes for one sixth interest in the Athabasca Railway Co., Canada West Railway Construction Company and the Alberta and Great Waterways Railway Company, on the grounds that he was not a proper party to the action.

Judge Stuart, in giving his decision said: "After several careful perusals, I have come to the conclusion that the court will have to deal with the distribution of the shares, as it is shares that the one-sixth interest has reference to. Not only Minty, but all shareholders alike are to own a part of that. Therefore, all that unless the plaintiff the original order be dismissed with leave to appeal."

## Lawyer Withdraws From Crippen Case Plasterers Decide to Continue Strike

### SEES NO REASON WHY GEORGE MINTY'S NAME SHOULD NOT APPEAR

Application Made in Supreme Court This Afternoon  
That G.D. Minty's Name Be Struck From State-  
ment of Claim in Famous Hawes Suit Against  
Alberta and Great Waterways Railway

Application was made in the Supreme Court this afternoon to have the name of G. D. Minty struck out of the statement of claim taken by Mr. Hawes for one sixth interest in the Athabasca Railway Co., Canada West Railway Construction Company and the Alberta and Great Waterways Railway Company, on the grounds that he was not a proper party to the action.

Judge Stuart, in giving his decision said:

"After several careful perusals, I have come to the conclusion that the court will have to deal with the distribution of the shares in the company, and the one-sixth interest hereafter. Not only Minty, but all shareholders alike are a part and a necessary part to the action for they all own a part of that interest."

"Therefore," said Lordship, "I will intend to do is to issue an order that unless the plaintiff files an affidavit verifying his statement of claim, the original order will be set aside; if he does file it, the application will be dismissed with costs."

Leave to appeal will be granted.

### GOT A FAKE LETTER ASKING ULTIMATUM BE HELD OVER

Builders' Exchange Received Letter Apparently From Plasterer's  
Union Asking That Open Shop Ultimatum Be Not Put Into  
Force Until Tomorrow—Trades and Labor Council Man Says  
it Was Not Authoritative—Strike Will Continue.

Secretary O. O. Wetmore, of the Builders' Exchange received by this morning's mail a letter from the local plasterer's union asking that the ultimatum of the ultimatum be suspended until Wednesday, presumably to give them an opportunity to consider its conditions. As the ultimatum is now on record and the matter out of Mr. Wetmore's hands, he referred the letter to the directors, with whom they must make their terms.

Meanwhile the union men are still out on strike though a number of non-union men have gone to work. Calgary has sent up a small quota, and the strike continues more or less. It is reported that one man is working in the streets with a fifty dollar fine imposed on him by the union; it has not, seemingly, deterred him from his work.

Nothing definite will be known for some hours as to what action the contractors will take. The ultimatum declared that open shop would be declared but in view of present overtures such action may be deferred.

Letter Not Authoritative

"You can say that the letter sent yesterday by a member of the Builders' Exchange was unauthorized, and should not have been taken into consideration by the Builders' Exchange when seen in connection with the ultimatum received by the Builders' Exchange asking that the effect of the ultimatum be postponed until Wednesday." The member of the union

For Approval—Joe Adair  
To Speak.

The platform drawn up by the executive of the Municipal Improvement League, will be embodied in a report to be presented at the first meeting of the league since its organization, to be held at Naer's Hall to-night. The selection of a ticket to contest the coming municipal elections, will not likely be made tonight, as it is considered that the platform should be definitely decided upon before candidates should be chosen. It all depends, however, on the feeling of the body of the league towards the platform to be presented for discussion. (Mr. A. E. Potter, president of the league, will be the speaker on the platform, and will participate in the discussion, while it is possible that Mr. Joseph Adair will have something to say in reference to the Journal's attack on the platform, advocating the deprivation of the commissioners of the right to discharge heads of departments, and of investing the sole right in the council.

He left Edmonton about a year ago to start a boat building business in L. C. Three months ago he returned to the city, but left again shortly afterwards. ## ALTA. VARSITY

## LOST THE FIRST

(By a Staff Correspondent)

The game between the University of Alberta and Western Canada College was played on Metawata Park in the morning and was witnessed by about 1000 spectators, who were equally divided in their support. A high wind blowing down the field made good punting an asset in the win and Johnson had a little the better of Sells in the exchange of spirals.

Though the score was 28 to 10, the Strathcona students were far from outclassed and a little judgment in some of their plays would have spelled victory for them. Instead of utilizing their superiority of weight when kicking against the wind, they tried an open game and consequently were outscored in the first half when the Calgary students had the pick of the Johnson, center half back for the Calgary students was a poor kick, but fumbling on the Varsity back division accounted for many yards gained. For the Strathcona students, Blaney, Sells, Law and Parney were prominent at all stages, while Johnson, Bentshaw, Bowen, Plummer and Armistead were the pick of the Western Canada College boys.

**Summary of play.**  
The Varsity boys won the toss, but for some unknown reason, chose to kick against the heavy wind which was blowing directly down the field. The game had hardly been in progress for five minutes before the kicks by Johnson resulted in a rout and a safety touch for the homesters.

With the score 3-0, Varsity started to play the game and gained ground on carries in which Blaney and Parney carried the ball with good judgment. The next score of W. C. L. was due to a fault which was very prevalent in the early stages of the game. Sells passed wildly to Parney, Plummer, intercepting, went over for a touch which was not converted. Score 8-0.  
Johnson got from the kick out on the 25 yard line and punted to the dead ball line for another single. Score 9-0.  
For the next ten minutes Varsity made a great rally in their own quarter and held the School at arm's length. Finally Johnson booted over the dead ball line for the last corner of the first half. Score at the interval, 10-0.

**Second Half.**  
From the very start off of the second half Varsity got right down to business and quickly had the pick in the Calgary territory. From a maul by Johnson, Law got possession and ran through a broken field for Varsity's first corner. Score 13-0. Sells converted the try from a difficult angle. Score 16-0.

On the kick-off from half way, Rutherford got possession, but being slow in clearing, was forced to range. Score 16-0.  
Johnson returned the kick out, and again Rutherford offended, returning the kick into the goal post. Plummer got possession and scored the second touch down for Western Canada College. The same player converted nicely and the score was now 17-6 in favour of the home team.

The next Calgary score was a shame. Mr. Lawson returned the kick-off, and Caldwell waited for the ball to bound. The consequence was a maulage rushed in against the ball and ran 60 yards through weak tackling for a try which was not converted. Score 22-6.

Ottewill kicked off and Parney following up fast got the ball when Johnson fumbled. Though the ball was on Calgary 20 yard line, the best Varsity could get was a kick to the dead line by Sells. Score 27-6.  
Far from giving up hope, Varsity played better now than at any time during the game. The wings started to follow up the kicks, and Ottewill getting the spheroid on a Calgary maul went over the homester's line for a try which Sells converted in fine style. Score 22-13.

The punting of the Varsity back division, though well-intended, was not perfect by any means, and when Sells, on the third down, kicked into his own line, Bowen got the ball on the rebound, and staggered over Varsity line for a try which Johnson converted. Score 28-17.

Full time sounded shortly after this with the score unchanged.  
Though beaten by a large score, a week more of hard practice will work wonders with the Varsity team and they should easily turn the tables on Western Canada College in Edmonton, next Saturday.

The teams lined up as follows:  
Univ. of Alta. (2) W. C. Col. (28)  
Rutherford ..... Back ..... Bentshaw

## DECOTEAU WINS CROSS CUP

## Finishing in characteristic fashion, with a smile on his face, and with no evidences of exhaustion, Alex. Decoteau, the champion long distance runner of the province easily defeated his five competitors in the Cross Cup five mile race yesterday morning. Decoteau did the distance in 27 minutes, and 54 2-5 seconds.

M. C. A. men crossing the line a couple of minutes later, also finishing strong. The latter's time was 29 minutes, and 34 1-2 seconds. Cliff Dunham, who took third place also footed the distance in creditable style, the stop watch registering 30 minutes and 35 seconds. McClure and MacCormick put up a lively fight for fourth place there being just 35 seconds between them. Hodgson was hardly in the same class and walked the last hundred yards of the race.

A large crowd of spectators witnessed the start which was made shortly after 11 o'clock from the Y. M. C. A. With the report of the pistol Decoteau took the lead and as he rounded the corner of First street he creased it considerably and kept at the head to the finish.

The course was from the Y. M. C. A. to First street, north on First to Norwood Boulevard, where the runners switched onto Neway, continuing north to Belmont subdivision. The return was made over the same course.

**Summary of race.**  
Among the interested spectators was the Hon. C. W. Cross the donor of the trophy, who showed a keen interest in the race. Mr. Cross congratulated Decoteau on his victory.

The result of the race was as anticipated, as far as the winner was concerned, but the rest of the order was in doubt.  
Decoteau was a dark horse, it being his second appearance on track here. He is more of a short distance runner, but proved himself of very good calibre as a long distance man also. His showing delighted the Y. M. C. A. men. Up to eleven o'clock Dunham was not looked upon as a candidate for the honors, but he decided at the "eleventh" hour to face the starter.

## EXCURSION WAS HUGE SUCCESS

Edmontonians Cut Quite a Swath in Calgary on Thanksgiving Day.

In the words of 263 Edmontonians, "it certainly was some excursion." Crowded to capacity the football special pulled out from Strathcona on Sunday morning every heart filled with hope and anticipation. Though some of the teams lost, the return trip was far from being subdued, and everybody got off the train this morning with the opinion that a very pleasant time was had.

It was the largest athletic party that ever left Edmonton, there being the Eskimo and University of Alberta rugby teams, the Olympics and Y. M. C. A. bowlers and Alberta College soccer team. Picture this galaxy accompanied by over 200 selected supporters and some little idea of the excursion can be obtained. Of course, the accompanying noise has to be taken for granted.

On Sunday, nothing but blue and white ribbon could be seen on the Calgary streets, the young millionaires of the Edmonton party varied the monotony of the Sabbath by automobile brushes along the main thoroughfares. The Calgary police were very tolerant and did not enforce the speed by-laws.

Last evening, the Eskimos took in the Tommy Burns entertainment as the guests of the Tiger Football Club, Jake Fullerton and Billy Lauder shared the spotlight with the ex-champion.

## HOPPE BROKE RECORD.

New York, Oct. 29.—Willie Hoppe, the 18 ball line billiard champion, in his handicap match with Albert Cutler, broke the world's record at 181, tonight, Hoppe making a run of 150, beating by ten the record made 11 years ago by Jacob Schaeffer. To-night was the third night of play and the score was: Hoppe 300 at Cutler's 332, the latter, however, playing at 182, the handicap allowed by the terms of the match. The score to date stands: Hoppe 900, Cutler 824.

## NEW CYCLES RECORD

## OLYMPICS WON IN THE EVENING

Edmonton Bowlers Lost Morning Games—Won Two Out of Three at Night.

At the Exchange Alleys the Olympics of Edmonton rolled the Calgary All-stars in the morning and evening.

In the opening games, the Calgary team took three straight from the visitors, all being by small scores. The Olympics found the alleys slightly strange and did not get started. Miller, 202, rolled high string for Edmonton while White, 211 and Smith, 201, were high men for the homesters.

In the evening Eddie Morris brags got their bearings and took two out of three from the Calgary All-stars. A large crowd witnessed the games and cheered on both teams.

Simonton, 205, and Miller, 201, were high men for the home team. White was the pick of the home team with 178, 222, and 213.

Return games will be played on the Olympic Alleys on Saturday.

The practice match on Saturday between the Eskimos and the University of Alberta resulted in a win for the City team by 49 to 0.

The game was not nearly as one-sided as the score indicates, the Eskimos having quite a lot of the play and on several occasions their heavy line held the Eskimos for yards. Hardisty kicked two drops from the field while Kennedy, Starke, and Scrapper McDonald were prominent on the wing line. Crickmore started at quarter.

We beg to inform our many patrons that we are using a temporary label for our "Capitol" Beer as an innjunction has been granted by the Courts restraining us from using our original "Capitol" label pending our law suit with the Anheuser-Busch Brewing Association, of St. Louis, Mo. The quality of "Capitol" however will be just the same, or better if we can make it so; and judging from the demand we are sure that our patrons know from experience that it is the BEER and not the label that has made "Capitol" so widely popular.

Mr. McGee is accompanied by Mr. F. E. Tucker, manager of the firm, and they are guests at the King Edward Hotel. Mr. McGee stated that his reason for visiting Edmonton was to look over the ground but further than that he would not commit himself as to the company's intentions.

### GEESSE PARADE, 3,500 STRONG

Fowls on Way to Fattening Pens March Through Streets of Kentucky Town.

Marysville, Ky., Nov. 1.—An unusual spectacle—a parade of 3,500 geese,

was witnessed here today. The birds, which came from the mountains of eastern Kentucky, were lured through the streets by a man dropping corn. The geese were unloaded from a car to the Louisville and Nashville railroad yards after making the night hideous with their noise.

They were taken to a farm six miles from this city to be fattened for the eastern markets.

Georgia Negro Arrested for Attempting to Cure Sightless Friend by Novel Method

Atlanta, Ga., Nov. 1.—William Williams, a negro, is in jail here today charged with swindling on account of a peculiar cure for blindness which he devised.

His remedy consisted in driving a tack into the back portion of a blind man's skull and charging \$2.50 for the operation.

Robert Ward, one of his victims, told the police court judge that the tack process was not particularly painful, but that Williams' manner of taking the \$2.50 "hurt considerable."

### SEEK FARM LANDS IN RUSSIA

German and Russian Soil Tillers Attracted Across Border by Cheap Lands and Food.

Vienna, Austria, Nov. 1.—Attracted by cheap farms and the low price of food, great numbers of German and Austrian farmers are crossing the Russian frontier and acquiring land in the western provinces.

German colonization of Volhynia has attained such dimensions that the Russians are apprehensive of the formation of compact German territories within the borders of their own country.

The authorities in St. Petersburg, therefore, have adopted drastic measures and issued a decree forbidding foreigners to hold land in Volhynia, Kiev, and adjoining provinces.

The decree is based largely on military and strategic grounds and is believed to have been inspired by the military commander in Kiev.

## AT THE THEATRES

### PEG WOFFINGTON.

Of all the movies the most popular is the story of the great actress Peg Woffington. Altogether charming and quite different from her first and most famous rôle of the English aristocrat, plays a difficult part in the most approved fashion.

Every one of the girls in the company takes some individual part in the musical comedy, and together they make as attractive and rollicking a group of players as has been seen in Edmonton for some time. "The Ransom" will be presented again tomorrow evening with a matinee on Wednesday. On Wednesday and Thursday evenings the Bostonians will appear in the Irish opera. "The Rose of Balahen."

### THE GRAFTERS, AT THE LYCEUM

An enthusiastic audience greeted the Lewis & Lake company's production of "The Grafters" both at the matinee and evening performance at the Lyceum, and if laughs and applause are a criterion to go by, the Lyceum will do a land office business for the rest of the week. Miss Chapman's "Fishing," so well received and drew several encores. The bright particular star was Jake Clifford in his monolog and his singing and wooden shoe dancing took the audience by storm.

"The Grafters" will hold the boards till Thursday, when "The Twin's Christening," a roaring musical still will be produced for the latter half of the week. Friday night will see another chorus girl's contest, when many new features will be given. Saturday matinee, the Lewis & Lake company will commence a ladies' matinee. Each lady attending will receive a handsome souvenir.

### OLE OLSEN AT THE EMPIRE

A long unbroken success in the record of that famous dialect comedy, "Ole Olsen," which is to appear at the Empire, November 4 and 5 with Saturday matinee. The play was produced in 1891, but it went on being for several years prior to that time before managers could be induced to produce it with favor.

The Swedish as the central figure seemed to lack their confidence, although it introduced a brand new dialect and an ingenious conception never before dreamed of.

Ben Hendricks saw a future in this novelty which other managers had lost sight of, and early realized the huge Scandinavian population of the great Northwest, which should give it a trial, which he did entirely to his own satisfaction and the chagrin of the "wise managers" who had prophesied his failure.

"Ole Olsen's" initial tour netted a profit of over \$7,000 and Ben Hendricks became famous in almost a single night, and is now a great favorite as a delineator of the Swedish dialect character.

### FAX TO-NIGHT

Mr. James Fax and his Concert Co. arrived in town this morning and will be seen at the Lyceum School theatre at 8:30. Mr. Fax has with him his son Ruben, who is making his first appearance in the west as a humorist, also Miss Florence McGill, soprano, and Miss Florence Galbraith, dramatic reader. Mr. Fax is just as funny as ever, and his son is a chip of the old block. Do not miss them.

### "THE RANSOM"

A crowded house greeted the "Juvenile Bostonians" at the Empire theatre last night on the opening of a four day's engagement with the popular musical comedy "The Ransom." The return of the Bostonians to Edmonton was assured by the reception which was accorded them on their appearance in this city last spring. So few hearty was the appreciation of the audience at last night's performance. The old favorite, Babe

### BIG HOTEL FIRE

SAFE IS INTACT

The Albion Hotel at Carstairs, was totally destroyed by fire on the 9th of October. In the following testimonial the proprietor tells of the condition in which he found his No. 301 Hall's safe—surely a real proof of the actual work of this make of safe. It lay in the wreck of a three storey building from 3:30 Sunday morning to 5 o'clock Sunday evening.

October 10, 1910.

Percy H. Johnson, Esq., Agent for The Hall's Safe Co., Calgary, Alta.

Dear Sir,—To say that I was more than surprised on opening my No. 301 Hall's Safe to find the contents in as good a condition, is putting it mild. The said safe having passed through an intense heat in the burning of the Albion Hotel at Carstairs on the morning of Oct. 9th; everything in connection with the hotel being destroyed beyond recognition and on account of the intense heat of the fire and the red heat of the safe after the fire had subsided, or burnt out, I did not expect to find the contents of said safe of any service to me, expecting to find them charred beyond all use.

On account of the good condition of the said contents, the said safe has compensated me for ten times its original cost. A drawer containing rubber bands I was surprised to find said bands in good condition. The bills in the money drawer showed scarcely any evidence of passing through the conflagration.

It was the general opinion of the citizens of our town who have Hall's safes and who are in one way or another of the great heat and small size of my safe, that the contents would be destroyed beyond usefulness.

Yours very truly,

T. E. DRISCOLL, Prop. Albion Hotel, Carstairs.

Subscribed and sworn before me this 10th day of Oct. 1910.

C. W. MOORE,

A Notary Public for Alberta, residing at Carstairs.

Masson is missed from the cast, but a younger sister, Lois Masson, is there with much of Babe's irrepressible comeliness and charm of manner. Rose Henry, (Patrice) a great favorite with Edmonton audiences at the last appearance of the company here is now the leading figure. She takes the part of White Pete, the cowboy who rescues the heroine from the gipsy camp. Doris Canfield as Sir Roger Stark, the English aristocrat, plays a difficult part in the most approved fashion.

### "THE RANSOM"

A crowded house greeted the "Juvenile Bostonians" at the Empire theatre last night on the opening of a four day's engagement with the popular musical comedy "The Ransom." The return of the Bostonians to Edmonton was assured by the reception which was accorded them on their appearance in this city last spring. So few hearty was the appreciation of the audience at last night's performance. The old favorite, Babe

## EDMONTON ESKIMOS LOST TO TIGERS BY LARGE SCORE

Though Very Much Outscored, the Local Boys Put Up a Splendid Game But Had Some Hard Luck.

(By a Staff Correspondent)  
Before a crowd of spectators that crowded Metawata Park, Calgary, to its utmost capacity, the Tigers of that city defeated the Edmonton Eskimos by 24 to 6 in the first game for the league cup.

Spectators lined the four sides of the grandstand about ten deep, and an additional line of automobiles and carriages formed up behind them. The policemen were unable to handle the 200 people present, and constant encroaching on the field of play caused many tiring delays.

The day was a perfect one for rugby, by a slight wind blowing down the field having little effect on the play. Towards the end of the game a few very dark and cold and the players could hardly be distinguished from one another.

Though beaten by a large score, the Eskimos were far from outclassed and had the half in their possession more than the winners. Failure to kick over when within halving distance of the Tigers goal was the cause of the Edmonton defeat. On several occasions the blue and white was just on the verge of touchdown, but the hand back to do the trick always failed.

Refer Joe Gleason handled the game very poorly. Tigers worked off interference all through the game and should have been penalized on numerous occasions for failure to give him and Dykes the necessary three yards. Gleason made a very big mistake when he took the ball away from the Eskimos when they had it within one foot of the Calgary line.

The referee apologized afterwards and said he was under the impression that it was the third, instead of the second down. No man who is incapable of coming up to three should pass himself off as a rugby referee.

A Donahue was the star of the Edmonton team. He carried the ball for numerous gains and followed up Hardy's kicks splendidly. Percy is some nice punting but was slow in getting started on his end runs. White of the Tigers, generally breaking through and nailing the Edmonton center ball.

Dykes was overworked at full back but played a good game. A mistake was made in just playing two men in the back field as Donahue was like a world's champion and Hardy and Dykes were unable to cover all the ground.

Bishopric, Barnes and Vermette held the heavy Calgary scrum and Barnes held the ball out to Crickmore perfectly. The same Crickmore was very much in evidence with his careful passing and his low tackling of big Doc. Gibson on several occasions took the eye of the spectators. Doc Wilson was one of the hardest

After the opening festivities, Can. Gibson, having lost the toss, kicked off to Donahue, who returned to Hardy. Percy passed to Dykes, and Tommy was downed by White. On first down Hardy punted into touch for 30 yards gain.

On first down, Doc. Gibson rips the line for 20 yards and Dykes downs him 5 yards out. On second down, the hefty doctor hucks over the Edmonton line for a try which Juddy Johnson neatly converts. Score 6-0.

High Gibson sends the place kick to Donahue who returns to Hardy. The pigskin is booted to Pinkham, who muffs on his own 30 yard line. Donahue sends the ball to Dykes and the Pocket Hercules is downed in his own quarter by the fast Calgary winger.

A kick by Hardy is well taken by Madden and the former Eskimo runs nicely and then kicks into touch. Calgary stole the ball and Pinkham made ten yards on a crisp cross. Scrimmaging again, Tigers lost ball on downs. Hardy tries out and loses ten yards. Edmonton, having possession on their own five yard line.

Hardy lofts one to Pinkham who runs into touch, 30 yards out from Eskimo goal.

On the first down, Donahue, taking advantage of the high wind, hits one to Hardy who muffs the ball and the agile Mr. White drops on to it for a try which Johnson again converts. Score now 12-0.

On the kick-off, Coombs was offside and it is Calgary's scrumming at half-way. Donahue punts to O'Donahue and Art runs back to kickoff 15 yards. Hardy kicks into touch on first down and is Calgary ball at mid-field. Donahue kicks on second down and Dykes returns into touch off his own half.

Sturke steals ball and Pinkham muffs it. Hardy's try is followed up. A high kick by Hardy to the dead ball line, notices Eskimos' first corner. Score 12-0.

**Second Quarter**  
Immediately the teams had changed goals, Donahue kick to dead ball line for a single. Score 13-0.

Hardy sends a deep kick at Pinkham, who muffs and Doc. Wilson seizes the ball by snappy following up. A punt by Hardy goes to Madden and the Tiger center half is forced to rouse. Score 13-2. Sturke and McLean ruled off for minutes.

A miff by Pinkham forced a scrumming on Calgary 5 yard line, but Doc. Gibson gained 30 yards on the first down before being neatly tackled by Parsell.

After an exchange of punts between the half backs of the two teams, O'Donahue got away for a 30 yard run around the left end. Calgary gets the ball back Doc. Gibson is thrown back for a loss. Heed and Harold Gibson off for 5 minutes.

Pinkham passes to Madden and Wilson intercepts pass, but Napier tries to get off side though. Tigers lose ball in scrumming. Crickmore passes O'Donahue who kicks to Pinkham. Bishopric tackles the Calgary half back on his 10 yard line.

Doc. Gibson gets going for 20 yards and is brought to earth by a low tackle of Crickmore.

After some punting in which Hardy gains, Doc. Wilson skirts the right end for 20 yards. Crickmore is off for dirty work. Wilson again gets away for a dodging run of 15 yards and from first down Hardy kicked over for a rouse. Score 13-2.

**Second Half**  
Johnson kicks off to Hardy who returns into touch 20 yards out. Donahue boots to dead line a few moments later for a single. Score 14-2.

Hardy drops to Ashdown and Bill Sturke throws him to the dust. Pinkham got possession of a long punt from Hardy and made a neat try for a drop over, the ball just missing the goal posts. Wilson gets no yards and it is Edmonton ball. Hardy tried an end run but was forced back over his own goal line for a safety touch. Score 16-2.

A moment later Donahue kicked into touch in goal making the score 17-2. Misfortune came in bunches about this time and Barton getting possession of the ball on a low kick, ran to yards through poor tackling for a try. Johnson took the kick from the right touch line and placed ball right between the posts. Score 22-2.

Donahue kicks to Dykes who fumbles but dribbles ball to Calgary 30 yard line. Donahue tries a run but Scrapper McDonald hys him low. Donahue boots to Hardy, who muffs but Dykes, who is tackling up, clears nicely.

Shortly afterwards, Dykes was forced to rouse. Score 22-3.

Hardy kicks out to Madden who is downed by Sturke and Scrapper McDonald.

**Last Quarter**  
From the kick-off, Coombs carried the oval 30 yards right through the Tiger forwards. Hardy's kick was muffed by Pinkham but the Tiger regained ball on his 10 yard line. O'Donahue got the ball on Barton's kick and booted over the line for a safety touch. Score 22-3.

No sooner had the ball been kicked out than O'Donahue took off another dodgy run, bringing the ball within striking distance of Calgary goal, where Eskimos had the ball taken away from them on downs.

## MOOSE'S TEAM BEAT CHANDLER'S

Henry Baxter Fanned Fifteen of the Calgary Team—Score Was 9 to 2.

Calgary, Nov. 1.—The baseball game at Victoria Park on Saturday afternoon between Moose Baxter's Giants and Chandler's Colts resulted in an easy victory for the Moooses, the score at the finish being 9 to 2.

Henry Chandler's team, with such men as Standridge, Chandler, Leppner, Hoar, and Stokes, was expected to give Moose a good game, but he couldn't stand the big league brand of stuff such as was put up by the three Baxter brothers, Mills, brothers and Chester Cox.

Henry Baxter pitched good ball. He struck out fifteen men and only allowed four hits. Barney Barnstead was there with the big stick, but the willow was too heavy and Barney struck out four times.

The hits for Moose were made as follows: Moose 4, Mills 4, Andy Baxter 3, Henry Baxter 3, Chester Cox 1, Weir 1, Perrin 1, Chandler, Stokes, Seidenhecker and Standridge got a single each for their team.

There was a fair crowd out. Tommy Burns umpired the first innings and then gave way in favor of his brother.

The teams were:  
Chandler's Colts: c.f., Standridge, c.f. and p., Hoar; i.f., Turner, b.; Barnstead, b.; Leppner, s.s.; Chandler, b.; Cox, p. and c.f.; Seidenhecker, c.; Baxter—Mills, i.f.; Weir, c.f.; Cox, i.f.; Andy Baxter, b.; Church, b.; Moose, s.s.; Perrin, b.; Henry Baxter, p.; Mills, c.

Score by innings:  
Moose ..... 003 012 001-9 17 1  
Chandler ..... 001 010 000-2 4 4  
Batteries—Baxter and Mills; Standridge, Crist and Seidenhecker. Umpire—Tommy Burns.

## GEORGE WON HERALD RACE

Indian Captures Historic Hamilton Race for the Second Time in Succession.

Hamilton, Nov. 1.—For the first time in its history the Hamilton Herald race of nineteen miles, 168 yards, was won yesterday by a second year in succession by the same man.

Jimmie George, an Indian from Beaverton, who won the Ward Marathon at Toronto this fall was the victor. His time was one hour, 32 minutes, 52 seconds, a little behind the record of 1:43 established in 1904 by Sammy McElroy of Yonkers.

Eddie Cotter, of Toronto, was second, and Jack Near, also of Toronto, third. John D. Shine of Minneapolis was fourth, W. A. Forsyth of Moose Jaw winner of the Winnipeg Telegram race, was fifth. Cotter's time was 1:51:21 and Near's time 1:52:36.

The weather conditions were ideal and the road was in perfect shape. Twenty-eight men all told faced the pistol and got away to a fine start. From the fifteenth mile post to the finish, George, the winner, held the lead.
